

VINTAGE AFFAIR PRESENTS
Moonlight Masquerade

A GALA BENEFITING THE COMMUNITY ASSISTANCE CENTER

Dear Friends of CAC,

We invite you to support the Community Assistance Center by donating a silent auction item for **Vintage Affair 2019**. This year's event will be held **Saturday, October 26th** at **Mercedes Benz USA headquarters** in Sandy Springs. Thanks to our Hosts, Sponsors, Restaurants and Auction Donors we hope to raise more than \$150,000 to support individuals and families who face unexpected financial challenges. Funds will ensure thousands of our neighbors have a roof over their head, food on the table, school supplies and other essentials for their children and a path to great economic stability.

As a silent auction donor you will receive exposure for your products and services with 400 guests, your business will be listed in the Vintage Affair event program and your item will be displayed on the silent auction tables. We believe this is also a great opportunity to promote goodwill for your company by supporting a local area non-profit whose mission is to help others by combating hunger, preventing homelessness and offering hope and a path to economic stability during their time need.

CAC receives support from 27 area congregations, the City of Sandy Springs, Fulton County, the Sandy Springs Society, United Way, local and national businesses, civic organizations and private foundations as well as hundreds of individual supporters and more than 400 regular volunteers. Annually, we receive more than \$1.6M of donated goods and \$800,000 of donated volunteer hours. This support has enabled CAC to help more than 20,000 families in need throughout its 31 years of service.

By supporting Vintage Affair as a silent auction item donor, you become part of a community who cares about making a difference in the lives of others. Your donation of a silent auction item, no matter how small or large, will bring excitement to our very important event and we appreciate your thoughtful consideration.

Warmest regards,

Cheryl Sykes
